

HOOPER VEX IQ ROBOTICS CODE OF CONDUCT 2019-2020 CONTRACT

VEX IQ Robotics is a TEAM competition, which means that all members participate equally and understand all four components to the competition: STEM research project, designing and building, programming, and driving. Students needs to be interested in, and help their team with, all four components.

Code of Conduct:

1. I will follow all of the Hooper Elementary behavior rules.
2. I will make sure I am in control of my body at all times.
3. I will listen to my coach and follow the rules he/she gives me, and I will stay with my coach and my team at all times unless given permission to leave.
4. I will use my time wisely and not play on personal or school electronics during robotics time.
5. I will respect all school property. I will leave whiteboard markers, erasers, posters, books, papers, etc. alone. I will not get into other students' desks.
6. I will take care of all of the VEX IQ Robotics Equipment - I understand that it is expensive (each kit is \$330), and I will replace anything I break. I will clean up all equipment at the end of each practice.
7. I will attend every practice and competition and let a coach know if I have to miss. I will not miss more than three practices.
8. I will be present and attentive during the entire practice and competition time; I will not leave without permission from my coach.
9. I will be respectful and listen to my coach and teammates; I will respect their decisions.
10. I will contribute positively to my team.
